

Severe Acute Maternal Morbidity (SAMM) form

Reporting criteria: all women who were pregnant or had delivered within the past 42 days, who were admitted to an adult ICU.

Relevant information detailed below and findings from the hospital review should be forwarded to the Consultative Council under Section 39(1) of the Public Health and Well-being Act 2008.

The findings regarding preventability will be reviewed by the Maternal Mortality sub-committee and de-identified recommendations reported.
